We would be thrilled to welcome you and invite you to be one of the first couples to experience our stunning new venue. Bookings open from January 2026!

The Walled Garden

If the sun is shining on your special day, guests will be directed into the Walled Gardens upon arrival, just a stone's throw from The Pavilion. The gardens offer a serene and picturesque setting, perfect for your guests to relax while you capture beautiful memories with your photographer. For an extra touch, your suppliers can host your drinks reception and canapés in the Walled Gardens, adding an elegant outdoor element to your celebration.

The Annexe at The Pavilion

If the weather isn't kind on your big day, fear not. Once arriving at the venue your guests can spill into the Annexe to enjoy a delicious canapé or beverage at the bar. The Annexe was designed to be a free-flowing room and is the ideal space to host a photobooth or guest book.

Once you are ready for your guests to be seated the curtains can be drawn to make a grand reveal to the main event. The Annexe also serves as an ideal setting for more intimate civil or religious ceremonies.

The Pavilion

Time for the main event! Our Pavilion comfortably hosts over 300 guests, and if you're expecting even more, we've got you covered. What makes us unique is the seamless connection to the Annexe, allowing guests to spread out naturally across both spaces without losing the sense of togetherness.

Our stylish bar and Annexe flow effortlessly from The Pavilion, ensuring guests stay close to the action — no wandering off or missing out on the fun! The beautifully designed bifold doors let you bring the outdoors in, opening up stunning views of the Deer Park and the serene lake beyond — a picture-perfect backdrop for your photographs.

And for that extra special touch, every room is delicately fragranced with the exquisite Nero Bianco range. Curious about our collaboration? Just ask — we'd love to show you how we can tailor it to your day for an unforgettable, personalised experience.

The Cocktail Terrace

A stunning outdoor setting, perfect for dancing, sipping, and mingling under the open sky. As the sun sets, sparkling festoon lights illuminate the terrace, creating a magical atmosphere — ideal for a balmy summer evening. Feeling a bit nippy? No problem! We'll switch on the outdoor heaters and bring out baskets of Oscar's cosy blankets to keep everyone warm and comfortable.

Patience Cottage

But it doesn't stop there — you'll also have exclusive access to our Patience Cottage, nestled within the serene walled gardens. This charming space is the perfect retreat for brides, grooms, and guests alike. Whether you use it for getting ready before the ceremony, a quiet spot for elderly guests to relax, or even as overnight accommodation, the choice is yours. The cottage is yours to enjoy from 2pm on your wedding day until 10am the following morning, giving you the flexibility and comfort you deserve.
